

2025 Rocky Mountaineers Ski Day

The 12th Annual Rocky Mountaineers Ski Day will be held on February 10.

We'll meet at 9:00 at the Mary Jane base.

At 11:30 we meet for lunch at Lunch Rock, and then later retire to the Club Car around 2:30 for socializing.

Doug Laraby of Winter Park will join us and will have discount tickets for those who do not already have a pass.

Please let Dan Nolan (dnolan829@gmail.com) know if you plan to attend so he can contact you in case of a change.

These annual ski days are always lots of fun. You don't have to be an expert skier and can ski at whatever level you are comfortable.

We hope you can join us!

In case of bad weather our backup date will be March 6.

There will also be a West Slope Ski Day later in the season for our folks on the other side of Colorado. Details to follow.
